RESPONSE TO RESTRICTION REQUIREMENT

Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In response to the Office Action dated June 3, 2002, please enter the following remarks.

REMARKSI. RESTRICTION REQUIREMENT

The Office Action dated June 3, 2002 requires further restriction of the claims into 6 claim groups. In response, Applicants elect Group 1, namely claims 1-7, 9-14, 20-23, 25, 59-63, 65-68 and 71, limited to the subgenera designated G1 and G5 by the Examiner in the outstanding Office Action. However, Applicants do so with traverse. Applicants dispute the assertion by the Office that the 6 claim Groups involve separate and distinct inventions.

35 U.S.C. §121 provides that "If two or more independent and distinct inventions are claimed in one application, the Commissioner may require the application to be restricted to one of the inventions." M.P.E.P. §802.01 deviates from the plain meaning of "independent and distinct" by interpreting "and" to mean "or". The Patent Office relies on the absence from the legislative history of anything contrary to this interpretation as support for their position that "and" means "or". Applicants respectfully note that this position is contrary to the rules of statutory
